

GLOBAL NETWORK of NATIONAL GEOPARKS

Certificate of Membership issued to

*Idrija Global Geopark,
Slovenia*

In recognition as Member of the Global Geoparks Network

With the support of UNESCO,
the Geopark approach promotes a truly interdisciplinary network of international cooperation
for studying the Earth System while sustaining local communities.

This innovative initiative introduces a unique international framework linking
socio-economic development and the conservation of the natural environment
and hence constitutes a new and vital approach to conservation issues.
